

2021 Fall Seminar: Apartment building plan review

The Department of Labor and Industry (DLI), Construction Codes and Licensing Division's (CCLD) Fall Seminar will focus on apartment building plan review. Key aspects of a plan review of an apartment building will be presented over a two-day period. The first day will emphasize the building code and accessibility code requirements when conducting a plan review. The second day will focus on the building code as it relates to fire sprinklers and fire alarms, the mechanical code, the fuel gas code and energy code.

Hybrid course: This course will be offered as a hybrid course. Attendees can view the course in-person at one of the on-site locations or view the presentation as a live webinar.

Continuing education credit: Each session includes five hours of continuing education credit for building officials.

Register: <https://secure.doli.state.mn.us/events/>

Cost: \$85 per session in-person, \$25 per session online
